

# JUDICIAL TRENDS IN PUBLIC HEALTH

→ February 15, 2024

The Network for Public Health Law monitors key court cases and relevant judicial trends in public health. The Network's quarterly reporter, *Judicial Trends in Public Health* (JTPH), highlights select, recently published cases in public health law and policy from the prior 3 months. Case abstracts are organized within 11 key topics (adapted from James G. Hodge, Jr., *Public Health Law in a Nutshell*, 4th ed. (2021)), including hyperlinks to the full decisions (where available). Contact JTPH editor, [Kathleen Hoke, J.D.](#) for more information, or if you have questions or comments.
